

BSI CULTURE BANKING FORM

Thank you for choosing BSI to bank your culture(s). We charge a nominal \$100 per year, per culture fee for keeping your strains "in the vault." The \$100 annual banking fee is waived for the following year if you order minimum 5 pitchable units yeast 3 or more times in a year. Please note that BSI DOES NOT perform any isolation work. You will need to send ~1ml of the culture(s) in a sterile/sealed bottle, or on an agarose plate

What are Your Intentions for Banking Your Yeast with BSI?: Banking Only Ordering Pitchables*

** How Often do You Plan on Ordering this Strain?*

If possible, please provide the genus and species of the organism(s) being banked:

Is There Anything Else that We Should Know about This Yeast/Special Instructions?

NOTE: Please understand that growth times may vary depending on the organism(s) you are banking. A mixed culture may differ in proportion once propped to a pitchable size. If specific proportions are desired, please isolate the organism(s) and bank them separately. Upon receiving your culture for banking, BSI will verify that the culture is viable. Before you can order a pitchable quantity we will confirm with you via email.

INSTRUCTIONS: SAMPLING AND SHIPPING

1. Collect a few mL in a sterile, leak-proof collection vessel.
2. Pack the sample with ice to preserve the viability of the yeast during shipping.
3. Print this form and send it along with your sample.
4. Ship via overnight service (no signature required for delivery).
5. Ship the package on a Monday or Tuesday to ensure the package arrives in time to process before the weekend.

BILLING OPTIONS

BSI offers two convenient billing options:

1. Include a check for the correct amount: \$100 per year, per strain.
2. Bill to your existing account. **
